

# Trust the Milanese Family for all your Awning Needs

Deck & Patio Awnings, Door & Window Awnings, and Business Awnings

BY DIANA BRANNON

For almost 60 years, Milanese Remodeling has been the local, family-owned, professional awning installation company trusted by Chester County homeowners. Milanese Remodeling has the experience and knowledge to evaluate your needs and recommend the right awning for your home or commercial business. Milanese Remodeling also knows how to install your awning properly, so it will perform to your expectations, handle our weather, and not cause damage to your home or injury to your family or business. Milanese Remodeling installs all of the traditional styles as well as the latest European fabric structures for Chester County homeowners and commercial businesses to enjoy the outdoors.
